

ERC POLICE STATE

"Emergency Briefing Notes:

HELP!!

We are under attack.

A local activist complained this morning about Mary Montague being present inside a polling station. This contravenes the rules.

[Rules on candidates at polling stations](#)

Six minutes later TWO Police cars were at his home looking for him.

His wife was told to return home immediately to allow them in to search her home or they would smash the door down.

The CCTV cameras used for community policing in the area swung 180 degrees to watch his house.

Mary Montague was convenor for community safety which includes cctv control room and liaison with the Police.

If the Labour - SNP administration get back in, it looks like they will be hell bent on revenge.

Freedom of speech is under attack.

Make sure you and everyone you know vote to save East Renfrewshire.

Offer people a lift to the polling stations.

This is the tactics of Syria and Libya to suppress democracy.

This now is entirely in your hands to determine.

I know it sounds unbelievable but nevertheless it is happening TODAY.

Act now - while you can.

We need you to help

VOTE TODAY

To BN,

Please let us know the details of the polling station incident once you've spoken to Tom.

To Tom,

Well done for standing up to MM. Please do not feel intimidated by her or the police. There should definitely be an investigation into their reaction.

Goodnight

What does this lady look like?

Short? Dumpy? Dark hair cut into a dora haircut?

Looks like a poor turnout at Braidbar as well. And I dont think a lot of the old dears understood the new voting system. Not being allowed to old the vote meant that the wee lady infront of me waved her X infront of me.

She was actually in the polling station vote counting?

How did she do it? If the polling station is open for 12 hours and if 10 people per hour vote Labour, how many's that....? Must have got confused and decided to phone the polis!

I guess she'll just have to wait along with the rest of us but sounds desperate.

I hear that there was no complaint from a candidate towards Save The Green Belt. Maybe people are getting their wires crossed in the election frenzy.

Mary I may be censored out but you are a vindictive cow for setting the Polis on Tom and his wife just because Tom pointed out that you were abusing the polling station rules.
