

Councillors Expenses - 2016 - 17

Posted by Newsline - 08 Dec 2016 19:51

WE are continuing our annual review of councillors expenses and are pleased to report that some have taken on board our criticism (2015) of using a car when they could have rested on a train at much less expense to the public. A few have now stopped claiming for short local journeys and others are now sharing taxi's.

However on looking at this years FOI disclosure we can see that, in our opinion, at least three are claiming for something that they are not entitled, including a member of the Audit Committee.

One is claiming for journeys of 1.6 miles, and one appears to be breaking the rules entirely in respect of travel.

Tomorrow.....
