Dear Emergencies Committee Members

At this meeting (Emergencies Committee on Thursday 21 May 2020 at 2.00pm), Would appreciate if you can raise the matter of giving public access to previous/current/future meeting details/minutes.

I have no idea what transpired at the 14 May meeting and it would appear I will not be able to find out what transpires at this afternoon's meeting until 19 June.

There is no public access to these meetings/minutes.

This is undemocratic. It cannot be considered open & transparent.

Why the secrecy?

In these abnormal times, It is just ridiculous to have to wait till 19 June for public access to this information.

These are not normal times.

Would appreciate that you confirm normal practice can be put aside during this emergency and the details/minutes published immediately.

Thanks

=====
